

SmartMount™

Universal Tilt Wall Mount

For 13" to 42" Flat Panel Screens

NEW!

Patent Pending

The SmartMount Universal Tilt Wall Mount supports virtually any 13" to 42" flat panel screen. The tilting wall plate keeps the screen close to the wall for a very discreet installation that is perfect for digital signage, POS stations, or office applications. Featuring one-touch tilt, the SmartMount allows the screen to be tilted +15/-5 degrees without the use of tools. For a quick and easy installation it may be mounted to a single wood stud or concrete. Metal stud mounting is possible with accessory metal stud fasteners. Compatible with VESA 75mm, 100mm, 200mm and 200mm x 200mm mounting hole patterns.

- Fits 13" to 42" flat panel screens
- One-touch tilt for effortless positioning and adjustment of the screen
- Models available with integrated security features provide effective theft deterrence
- Standard models also available

**ST635, ST635-S
ST635P, ST635P-S**
